NATURA

*collection of outdoor furniture
with a warm and understated
design.*

Natura is a collection of outdoor furniture with a warm and understated design. The use of iroko wood in its structures, combining flat crossbars and curved joints, conveys the elegance and serenity typical of contemporary Scandinavian design.

Corded reinforcements on the seat frames, functioning as backrests and bases, establish a connection between Nordic craftsmanship with intricate details and the exquisite craftsmanship of the Mediterranean.

The Natura Collection boasts a versatile range of outdoor lounges, including individual armchairs, deep sofas with or without chaise longue, and a variety of auxiliary and center tables in different dimensions. This variety of elements allows for various configurations, from small resting areas with individual seats to setups with a more numerous or collective character.

*The artisanal nature of the
corded seat frames makes the
armchairs and sofas stand-alone
pieces, offering attractive views
from all angles.*

This expands the possibilities for configuring outdoor lounges with the Natura collection, suitable for both residential and contract spaces.
